

CGCS Agenda-March 15, 2019

1pm, 140 Toomey Hall

- > Departmental Admissions Criteria discussion
- > Departmental Admissions Policies discussion
- > Reference Letters for Non-Thesis Master's applicants
- > Fellowship Poster Session Finalists
- > Chancellor's Distinguished Fellowship update
- > Reminders/Upcoming Events

Departmental Admissions Criteria discussion

- > Re-evaluating admissions criteria:
 - Departmental TOEFL/PTE
 - > Grad Studies gathering benchmarking data
 - GRE scores and requirements
 - > Grad Studies gathering benchmarking data
 - GPA requirements
 - Recommendation letter requirements

Departmental Admissions Policies discussion

- > Are there departmental policies that are limiting admissions?

Reference Letters for Non-Thesis Master's applicants

- > Would departments be willing to waive this requirement?

Awaiting Materials Bin in Slate

- > Departments have the ability to review applications in the “awaiting materials” bin in Slate.
 - You are not making an admission decision – just considering *why* it is in this bin and whether or not you would be willing to move it forward without the standard materials
 - Departments can choose to “waive” recommendation letters, GRE scores, etc.
- > Graduate Coordinator can email Grad Studies if they would like to waive an item.

GEM GRAD Lab

Friday, April 12 and Saturday, April 13, 2019

> What is GEM?

- GEM is a network of leading corporations, government laboratories, top universities, and top research institutions that enables qualified students from underrepresented communities to pursue graduate education in applied science and engineering.

> What is a GRAD Lab?

- GRAD Lab encourages young people of color to consider graduate engineering or science education and applying for the GEM fellowship. Focusing on the global importance of research and innovation, life-long career benefits, and real world role models the symposium will help each student envision his or her future as a technology leader, successfully apply for a GEM fellowship, and gain entry to a graduate program.

> Topics covered at the GRAD Lab include:

- Why Graduate School?
- How to Apply for Graduate School
- How to Fund Graduate School
- Voices from the Field
