# MISSOURI S&T

## Graduate Education

# 2024 Graduate Research Showcase
# Poster Session

Student's Name:_____

*Instructions: Please use the following criteria as a guide, but you need not be limited by it. The total score should reflect what you believe to be the overall quality of the work presented. Be as specific as possible and avoid rounding scores to increments of 5 or 10. Half points may be given.*

| | |
|---|---|
| **Quality of Research (40 Points)** | |
| Consider the following:<br>• Are there clear objectives, methods, results, and conclusions?<br>• Are conclusions well-reasoned and supported by results?<br>• If results are pending, is there evidence of progress toward objective and preparation to interpret results? | /40 |
| **Merit of Research (20 Points)** | |
| Consider the following:<br>• Does the research have apparent real-world applications?<br>• Is the research presented in a coherent context of academic literature, previous studies, etc.?<br>• Are the broader impacts of the work given? | /20 |
| **Visual Presentation (20 Points)** | |
| Consider the following:<br>• Is the poster well-organized? Visually appealing?<br>• Are font sizes and colors appropriate (easy to read from 3 to 5 feet away)?<br>• Is there a thoughtful and effective balance of figures and text?<br>• Are figures presented with all the information necessary to interpret them (axis labels, legends, captions, etc.)?<br>• Do the headings guide the viewer through the poster? | /20 |
| **Presenter Interaction (20 Points)** | |
| Consider the following:<br>• Is the presenter knowledgeable about the subject matter?<br>• Does the presenter invite discussion with visitors?<br>• Does the presenter respond appropriately to relevant questions about the research? | /20 |
| **Total Score** | **/100** |
