Checklist for Doctoral Dissertation Completion

 Give copies of your dissertation to your advisory committee at least one week before your defense so they’ll have time to review your document.

 Take a typed Form 7 with you to your defense so that your committee can sign the form. Forms are available at grad.mst.edu/currentstudents/forms/.

 After the defense, and after all of the revisions suggested by the committee have been made, bring a copy of your dissertation to the Office of Graduate Studies (G8 Norwood Hall) to have the format checked. Note: The deadline for submitting your dissertation for first format check can be found at grad.mst.edu/currentstudents/forms/.

 Once all corrections have been made you will be asked to submit the final copy. Note: The deadline for submitting the Form 7 and final copy can be found at grad.mst.edu/currentstudents/forms/.

 As of June 1, 2013, all final dissertation copies are submitted electronically. The only exception is if the ‘Withhold dissertation indefinitely for Department of Defense/Confidentiality/Other Reasons’ box is checked on the Form 7. If you are unsure if an indefinite hold will be placed on your dissertation, you should contact your advisor.

 The final copy will be submitted via the link found under Submitting and Binding Your Thesis/Dissertation http://grad.mst.edu/currentstudents/thesisdissertationinformation/formatting/. Note: Do not submit electronically until the Office of Graduate Studies personnel format checking your dissertation tells you to do so.

 If an indefinite hold is being placed on your dissertation then a hard paper copy will be required. Indefinite holds must submit a paper copy on white paper with watermark, a minimum of 25% rag or cotton content and at least 16 lb. weight, printed on one side only. Along with the paper copy, you must also submit a PDF of the thesis or dissertation on a CD or non-returnable USB (flash/jump) drive, pages 4 and 5 of the UMI Publishing Agreement Form, a title page and abstract, and a signed license agreement for Scholars' Mine.

 Doctoral students must submit the Survey of Earned Doctorates found at https://sed.norc.org/doctorate/showRegister.do. Please submit the Certificate of Completion to the person format checking your dissertation.

**Holds, whether patent or indefinite, will not be sent to ProQuest or made available in the Scholar’s Mine until such time as the hold is officially released by the University.
