

Course Plan Instructions for Forms 1 and 1A

You must submit Form 1 during the semester/session in which you complete your ninth graduate credit hour, in consultation with your academic advisor and selected committee (if applicable). If changes to the approved Form 1 occur at any time, you must submit a Form 1A to revise your approved plan of study. Any change made to the plan of study must be reflected based on the most recently approved plan of study.
